

SKAGIT CHANGE MAKER AWARD

✦ *Inspired by the life of Terry Belcoe* ✦

Terry Belcoe's action-oriented, boundary-crossing and solution-focused community work inspired the Skagit Change-Maker Award. He joyfully served our community and many local organizations. Terry lived by a "do it now" motto, which resulted in tangible benefits to the people of Skagit County

In Terry's memory, United Way of Skagit County, Economic Development Alliance of Skagit County (EDASC), Community Action of Skagit County, North Coast Credit Union, and the Skagit Population Health Trust have established this annual award for a community member exemplifying "Change-Maker" traits.

We are seeking nominations for a person who demonstrates the following characteristics:

- Excels in her or his professional work or area of service.
- Makes significant contributions to the Skagit community, above and beyond her or his work.
- Mentors current and future community leaders.
- Proactively tackles important work on behalf of the Skagit Community.
- Inspires others to action.
- Promotes Collective Impact, working across organizational and other boundaries.
- Puts service above self.

Click here or scan the QR code to nominate a person for the Change-Maker Award.

Nominations will be accepted until 5pm, March 31, 2019. The honoree will be recognized on May 2nd, 2019 at the inaugural Population Health Trust Advisory Committee "State of Skagit's Health" symposium. Additional announcements will follow.
